Eleven Fire Calls in January-Some Furniture Was Burned in Greeneville Station-\$50 From Kies Company For Firemen's Fund-60 Entries on the Police Blotter.

For the month of January the Norwich fire department had eleven calls to respond to, about the average number. Three of them were bell alarms, and of these the most serious was for the early morning fire in the Austin building, where, with damage to building and stocks in several stores, it is likely that a total loss of at least \$10,000 will be paid. Adjusters as well as local men who have seen the conditions surrounding the fire have quite generally had generous words of graise for the efficient way in which it was held down to so small a compass.

On Friday Chief Stanton received from The George W. Kies company, one of the firms affected, a check for \$50 in appreciation of what the department did. The money will be added as usual to the firemen's fund, which now totals about \$2,500.

One of the peculiar fires of the month occurred in the station of Engine company No. 2, and had all the signs of coming from a cigarette thrown carelessiy into an upholstered chair. The policeman on that beat saw smoke pouring out of the windows about 4 o'clock one morning as he was coming off duty. The officer

9452 A VERY ATTRACTIVE DESIGN. Ladies' Skirt in Raised or Normal Walstline.

Blue velvet, with self covered buttons, or taupe broadcioth, with simple stitching for a finish, would be suitable for this design, which is also appropriate for voile, cashmere, taffets, charmeuse, panama or serge. The pattern is in five sizes: 22, 24, 26, 28 and 39 inches, waist measure. It requires 3 2-8 yards of 44-inch material for a 24-inch size. A pattern of this illustration mailed to any address on receipt of 10 cents in tilver or stamps.

LADIES' EVENING OR DINNER GOWN

Satin charmeuse in a beautiful shade of old rose, veiled with white chiffen and embroidered in pastil shades, was used for this design. It is composed of Ladles' Three-piece Skirt Pattern 9400, cut in five sizes, 22, 24, 26, 28 and 30 inches, waist measure, and Ladles' Waist Pattern 9483, cut in five sizes, 34, 36, 33, 40 and 42 inches, bust measure. The fullness of the waist is arranged in deep tucks and the rounded yoke outline is especially graceful and attractive. The draped tunic shows one of the latest style features. The skirt may be finished in round length or sweep. It will require 14 yards of 27-inch material to make the entire gown for a medium size.

This illustration calls for TWO separate patterns, which will be mailed to any address on receipt of 10 cents for fACH pattern in silver or stamps. Order through The Bulletin Company, Pattern Dept., Norwich, Conn.
